First, I went to the big town, brumming along the long pavement. Suddenly, I found a small family going somewhere and I didn't know where they were going. Then, I realised they were going to the beautiful seaside. Next, I was put up on the top of the truck by the family. After that, the children shouted "There's the sea!" Soon, I and everyone else were having a wonderful time exploring, digging a hole and making tea. The boy said "sorry dad" because he dug a hole in the sand and dad fell into it. Then, Mum and Auntie were worried about where the twins were so I found them. Finally I went brumming happily on the way home.
