15th October 2021

Dear West Green Family,

It has been a pleasure getting to know our new families and watching our Reception children settling in. The half term has absolutely flown by- only one week left. This year we are looking forward to achieving record breaking attendance! At West Green our attendance target is 96% and we need **YOUR** help to get there. There is a proven connection between success at school and high attendance. It is particularly disruptive to learning if a child has numerous short absences. Children who are late arriving to school in the morning miss the start of the first lesson and find it difficult to tune in to what is going on, and as a result their learning suffers.

So can you beat the clock in the morning? Will your class overtake the current reigning champions? It takes a whole class to achieve attendance goals. Are you up to the challenge? A massive congratulations to Year 1 who currently has the attendance trophy! Keep an eye out for your classes results in the newsletter! Well done Orange Class, keep it up!

Harvest Festival

On Thursday 21st October we will be hosting our famous Harvest Festival Assembly. We are so excited to be able to host assemblies again and hope you can join us! We still want to be mindful of Covid safety measures so we are going to host our assembly in two settings.

Reception – Year 2: 9:20- 10:00

Year 3 – Year 6: 2:30 – 3:15

We would also like to do our part for the community and so in preparation for Harvest Festival we are going to have a friendly competition between our classes! We will begin collecting non-perishable goods (tinned/dried food) to donate to a local charity. The class that brings in the most tins before our harvest assembly will win a special prize! If you would like to bring in a donation please drop it to the school office or send it in with your child.

We will also have a non-uniform day on Friday 22nd October. On this day children can bring in a non-perishable item and enjoy a day of no uniform!

Friends of West Green

Are you interested in helping the school to raise funds for extracurricular activities and events for the children? If so please join us at our Friends of West Green Meeting on Friday 22nd October at 9:15. You can join in person at school or via Zoom using this link! Or contact admin for the link by email:

Black History Month

We will be doing some brilliant learning in class to celebrate Black History month. Each class will celebrate black excellence by learning about an individual who has made an impact – sometimes on our community but sometimes on an even larger scale! Please keep an eye out for our next newsletter where we will share our class projects with you.

Secondary School Admissions

Parents of children in Year 6 must fill out an application form to secure a place for Secondary school for September 2022. You must submit your form by the closing date of the 31st October 2021. **These forms are only available on-line.** Below is a link to the handbook provided by Haringey which includes information of how to apply and the details of open days/evening for each secondary school in the borough.

Office opening hours

Just a reminder that if you are in need of the office, we request that you use the Terront Road entrance. Morning office hours are **8:30am – 9:15am** and afternoon office hours are **3:00pm – 3:45pm**.

There is no access to the office by walking through the hall. This is to ensure the safety of your children.

After School Clubs

Just a reminder that for extended after school provision (3:30-6:00pm) we have an external company – **Energy Kidz** – running an after school provision. For more information or if you are interested in a place, please see the information below and use this link to book in: <https://bookings.energy-kidz.co.uk/Identity/Account/Login>

Lost Property

Our lost property continues to grow and grow! Many of the jumpers in the lost property have not been labelled with a child's name and so we are unable to reunite them with their owners. Please be sure to label your child's uniform! Uniforms that are not labelled and remain uncollected get washed and repurposed each half term.

Have you collected the wrong scooter by mistake? A pink scooter with a black bell is missing. If found please return to the office.

Easy Fundraising Link

You can help West Green Primary School raise funds by simply clicking on the link below and following the easyfundraising page to your online shopping! Every time you shop, we receive a small donation to say 'thank you' and **it's completely free too!** We want to raise as much as possible so please sign up!

Felix Food

West Green Primary school is very proud to be partnered with The Felix Project. The Felix project is a food redistribution charity- they collect food that would otherwise go to waste, but is perfectly fine to eat – and distribute it to schools and charities across London. West Green will receive a delivery from the Felix Project every Tuesday and you will see the food on tables in the playground. We ask that you take only what you need (up to 5 items for each family) and bring your own bag.

Flu Vaccinations

On **Wednesday 20th October** Vaccination UK will be coming to West Green and providing children from Reception to Year 6 with flu vaccinations. Please sign the consent form that will be sent home soon and return to the teacher if you wish for your child to take part. If you would not like to take part please send in the form indicating so. Only children with signed consent will be administered the vaccination.

Reception Tours

We are hosting Reception tours for prospective parents most Tuesdays at 9:15. More information can be found here on our website: <https://www.westgreen.haringey.sch.uk/admissions/> To book a tour please call the school or email us at: admin@westgreen.haringey.sch.uk
